

THE COOPERATIVE

Dedalus is an economic, social and democratic enterprise, founded in 1981 and working in the field of research, design and management of socially valuable services

42 MEMBERS { **31** WOMEN
12 WITH MIGRATION BACKGROUND

OUR VALUES

- centrality of the person
- respect for differences
- social inclusion
- networking
- enhancement of internal human resources

OUR AIMS

- creation of job opportunities, promotion of culture, beauty, and civil economy
- fostering of gender differences in thinking
- fight against all forms of discrimination and violence
- encourage coexistence in diversity
- equal access to rights
- wide-spreading of receptivity culture and attitudes

OUR METHODOLOGY

LINGUISTIC AND CULTURAL MEDIATION

It's cross-cutting methodology that facilitates people's access to local services and opportunities, enhances awareness, information and cultural advancements among citizens, allows the maintenance of immigrants' culture and ties to their own origins.

INDIVIDUALIZED PROGRAMS

Specifically tailored to individual needs, and requiring the activation of beneficiaries, individualized programs aim to accompany people in the exit from conditions of difficulty to their full inclusion in the relational and social environment.

OUTREACH AND LOW THRESHOLD WORK

Proximity to communities, staying inside and alongside, mitigating negative effects of harmful behaviours, never acting in place of people, but actually promoting initiative and self-care.
